It is said that there are 3 important things when buying a home, "LOCATION, LOCATION, LOCATION" and that is what we have here. 4 bedrooms and 2.5 baths with appx. 1,787 square feet of living space plus a 2-car garage and boasts a 7,200 square foot lot. The family room and living rooms feature open beam cathedral ceiling that has the feeling of being larger, the home also features an updated master bedroom bath and vanity, hall bath features a custom vanity as well. This home is upgraded with dual paned windows, stucco exterior, backyard concrete patio and ready for your personal touches. This home is conveniently located to schools and shopping. This home will not last long on the market.
